## Promax Case Studies

### Waste Water Treatment Tanks

**Who:** Apex Environmental

**Products:** 3 x 30kl Industrial Tanks

**Where:** Burnham, Canterbury

**Why:** Waste Water treatment for a pet-food company.

**What:** Promax supplied 90000L of Tanks for Waste Water Treatment

Promax was pleased to recently supply the Industrial Tanks for an Apex Environmental Sequencing Batch Reactor Treatment Plant for industrial wastewater at Ziwi Pets in Burnham.

Promax also welded internal mounting blocks to the floor of these tanks to assist with mounting of their diffusers & pipework.
